MEMORANDUM FOR:

STAT

SUBJECT:

DCI's Los Angeles Speech

I understand that the Director is sending a copy of his Los Angeles speech directly to Senator Knowland. I have checked through the remainder of the California delegation, and the only other member I can think of who might be particularly interested in receiving a copy of his speech is Pat Hillings, who made a recent trip behind the Iron Curtain and who has sent the Director copies of various articles he has written on the Soviet Union and the Satellites since his return. Harry Sheppard, another Californian, received a copy of the speech as a member of the CIA Subcommittee of the House Appropriations Committee, all of whom had requested copies at our last hearing.

Norman S. Paul  
Legislative Counsel

I sent also to Nixon. Please send
